

Course name	Course code	Semester	Language of instruction	ECTS	Course description (syllabus)	Interdepartmental offer available to all students? YES/NO	Comments
Geographic Information Systems		winter	English	2		YES	Will be opened if a group of interested people signs up
Contemporary Problems of Environmental Geography	7.1.0721	winter	English	3	port-zbiorczy-1681891465373.p	YES	
Cosmogenic nuclides geology	7.3.0134	winter	English	2	/strona-oig/103620/files/syl_cos	YES	
Aquaculture - lecture	PG_00054195	winter	English	2	logy-subject-cards-2025-2026-	YES	
Aquaculture - laboratory	PG_00054193	winter	English	1	logy-subject-cards-2025-2026-	YES	The number of places depends on the number of students in a given year
Aquaculture - field training	PG_00054194	winter	English	1	logy-subject-cards-2025-2026-	YES	The number of places depends on the number of students in a given year
Biodiversity of marine organisms - lecture	PG_00058917	winter	English	2	logy-subject-cards-2025-2026-	YES	
Biodiversity of marine organisms - laboratory	PG_00054196	winter	English	2	logy-subject-cards-2025-2026-	YES	The number of places depends on the number of students in a given year
Marine natural products - lecture	PG_00054201	winter	English	2	logy-subject-cards-2025-2026-	YES	
Marine natural products - laboratory	PG_00054200	winter	English	1	logy-subject-cards-2025-2026-	YES	The number of places depends on the number of students in a given year
Pathology and molecular diagnostics of aquatic organisms - lectures	PG_00054203	winter	English	2	logy-subject-cards-2025-2026-	YES	
Pathology and molecular diagnostics of aquatic organisms - laboratories	PG_00054202	winter	English	2	logy-subject-cards-2025-2026-	YES	The number of places depends on the number of students in a given year
Research cruise I	PG_00054204	winter	English	1	logy-subject-cards-2025-2026-	NO	The number of places depends on the number of students in a given year
Reproductive biotechnology - lecture	PG_00099400	summer	English	2	logy-subject-cards-2025-2026-	YES	
Reproductive biotechnology - laboratory	PG_00099401	summer	English	2	logy-subject-cards-2025-2026-	YES	The number of places depends on the number of students in a given year
Marine pharmacology - lecture	PG_00166073	summer	English	1	logy-subject-cards-2025-2026-	YES	
Marine pharmacology - laboratory	PG_00166075	summer	English	4	logy-subject-cards-2025-2026-	YES	The number of places depends on the number of students in a given year
Research cruise II	PG_00099407	summer	English	1	logy-subject-cards-2025-2026-	NO	The number of places depends on the number of students in a given year
Pro-seminar - research papers	PG_00099406	summer	English	4	logy-subject-cards-2025-2026-	YES	
Cosmeceuticals and nutraceuticals-laboratory	PG_00166078	summer	English	2	logy-subject-cards-2025-2026-	YES	The number of places depends on the number of students in a given year
Statistics in marine biotechnology - laboratory	13.8.1370	summer	English	2	logy-subject-cards-2025-2026-	YES	The number of places depends on the number of students in a given year
Natural and Human Milieu of the Gdansk Metropolitan Area	7.1.0524	summer	English	3	-	YES	
Renewable Energy	7.1.0518	summer	English	1	files/_nodes/strona/111006/file	YES	Opened optionally
New Cultural Geography	-	summer	English	2	/files/_nodes/strona/41677/files	YES	
Contemporary Problems of Human Geography	7.1.0713	summer	English	3	-human-geography-2022-en-17	YES	
Emission of nutrients from Polish agriculture to the Baltic Sea	13.9.0128	summer	English	2	ksport-zbiorczy-przedmioty-do-	YES	
Water monitoring	13.9.0142	summer	English	2	2021-2024.pdf (ug.edu.pl)	YES	
Introduction to volcanology	7.3.0230	summer	English	2	port-zbiorczy-1681891465373.p	NO	
Recent findings in ocean research	13.8.0840	summer	English	1	busy-eksport-zbiorczy-ob-4sem	YES	
Regional Oceanography - Case Studies	13.8.0694	summer	English	5	busy-eksport-zbiorczy-ob-4sem	NO
